

FIDÈLE

t e t

Uncompromising fine wine from the wilds of the Roussillon.

The story of Fidèle is one of wonder, respect and faith. Born in the wilds of the Roussillon — a crossroads of European history and human endeavour over thousands of years — where layers of culture and stories are visible in a magnificent yet challenging landscape, from the mountains to the sea. We created a wine faithful to the spirit of the place, the land, and the people who shared

their precious vines with us: limited, site-driven cuvées from heroic vineyards in Maury, Collioure and the Agly valley. Old bush vines, low yields, hand-harvested fruit, gentle extraction and long élevage in concrete — detail, depth and longevity, each numbered bottle a limited cuvée from a single, uncompromising site.

“Faithful, loyal and devoted — to the old vines, and to the authentic translation of site to wine.”
