THE PROJECT

Loyal to the Land, *Unbound by Tradition.*

From the mountains to the sea — wine inspired by the spirit of place.

At Terres Fidèles we believe the best wine is the product of passion, experience, and the perfect terroir. The Roussillon and the Haute Vallée de l'Aude give us isolated, unique glimpses of that third one. From schist terraces sprayed by Mediterranean waves to granitic sand plateaux hundreds of metres up, each parcel becomes a brushstroke in the portrait of the group.
